2) Definition of Local - As defined by the Downtown Valdosta Market, local is any produce, craft or other item grown or made in Lowndes County or any of the surrounding areas.

3) Vendors - All vendors must submit an application and pay market fees. Rate is \$15 per week or \$20 monthly (checks made payable to Valdosta Main Street) in accordance with section 7 below. If a vendor has been assigned a location, and will be unable to sell at a particular day(s) of the Market, vendor will be responsible for contacting the Market manager, so the location can be re-assigned for the missing day(s). Failure to sell twice in a row without contacting the Market manager will result in vendor forfeiting their location.

a) **Farm Vendors:** The Downtown Valdosta Farm Days Farmers' Market strives to be a local **producers-only** market. By selling at the Downtown Valdosta Farm Days Farmers' Market the vendor assures that she/he is the **primary grower** of the produce being sold or that the produce being sold is grown in an area defined by the Downtown Valdosta Farm Days Farmers' Market as "local" (see section 2) Vendors wishing to offer samples must adhere to all appropriate state regulations. **No wholesale brokers are allowed.** Farm vendors must agree to allow a farm inspection by the Downtown Valdosta Farm Days Farmers' Market personnel.

b) **Artisan/Craft vendors:** The Downtown Valdosta Farm Days Farmers' Market strives to provide a venue for locally made crafts that are well conceived, expertly executed, and hand made by the artist. Craft vendors must submit an application to the Downtown Valdosta Farm Days Farmers' Market Personnel in accordance with section 4 (b) and section 7, below. The craft vendor applicant must be local (see section 2) and the applicant must make her/his own craft items. However, if a farmer outside the area defined in section 2 deems it economically feasible to travel some greater distance with her/his own produce, that produce may be considered eligible for sale. As with all vendors to the Downtown Valdosta Farm Days Farmers' Market, an application (see section 7) must be submitted and reviewed by the Downtown Valdosta Farm Days Farmers' Market personnel.

The sale of meats, eggs, dairy, organic items from growers without organic certification, jams, jellies and low acid/acidified foods such as canned vegetables, salsas, pickles, etc., are subject to specific federal and state regulations. Vendors are responsible for ensuring their products meet all federal, state, and local regulations.

b) **Crafts:** Local crafts are works that are well conceived, expertly executed, and made by hand by the artist from within Lowndes County or any of the surrounding areas (see section 2). However, if an artisan outside the area defined in section 2 deems it economically feasible to travel some greater distance with her/his own craft items, those items may be considered eligible for sale. As with all vendors to the Downtown Valdosta Farm Days Farmers' Market, an application (see section 7) must be submitted and reviewed by the Downtown Valdosta Farm Days Farmers' Market personnel. A sample of the craft or high-quality photograph of the craft the vendor plans to sell must accompany the application. No applications will be considered without a sample and/or photograph. Categories of crafts include but are not limited to basketry, leather, wood, candles, soap, and dried flowers.

Note: there are a LIMITED number of artisan/craft spaces available – Farm Days is a farmers market first and gives priority to local farmers.

c) **Food:** The Downtown Valdosta Farm Days Farmers' Market encourages local food vendors to sell wholesome, healthy foods using fresh ingredients while minimizing disposable containers and wrappers. Foods sold should highlight regional produce/products and seasonal ingredients. Local vendor is defined as within Lowndes County or any of its surrounding areas (see section 2 above). However, if a food vendor outside the area defined in section 2 deems it economically feasible to travel some greater distance with her/his own food items it may be considered eligible for sale. As with all vendors at the Downtown Valdosta Farm Days Farmers' Market, an application (see section 7) must be submitted and reviewed by the Downtown Valdosta Farm Days Farmers' Market personnel. **A limited amount of prepared foods may be approved for sale and should feature current, seasonal ingredients which are sold at the market.** Food vendors must comply with all federal, state, and local regulations and must submit proof of certifications.

If denied, the vendor will be notified. **If a vendor has been assigned a location, and will be unable to sell at a particular day(s) of the Market, vendor will be responsible for contacting the Market manager, so the location can be re-assigned for the missing day(s). Failure to sell twice in a row without contacting the Market manager will result in vendor forfeiting their location.**

7) Enforcement process – Downtown Valdosta Farm Days Farmers' Market vendors are expected to abide by regulations established for the Market. The Downtown Valdosta Farm Days Farmers' Market personnel, Market Manager, or her/his designee, individually or collectively, may enforce said regulations. Vendors agree that violation of any regulation which is called to a vendor's attention will be rectified in a manner prescribed by the Market Manager or designee.

Violation(s) of any Market rule(s) should be reported to the Market Manager or designee, and vendors or members of the public are discouraged from addressing violations directly with the offending vendor. The Market Manager or designee will address the violation verbally with the offending vendor as soon as reasonably possible, and will offer the opportunity to remediate the stated violation. Should loss of privileges occur, the offending vendor may be asked to vacate the Market premises immediately, or as soon as feasibly possible. The Market Manager or designee should at all times attempt to have another Market Board member present when confronting an offending vendor, to witness the exchange.

Penalties will be assessed based upon the severity of the violation. A minor violation may be addressed by having the offending product or behavior immediately corrected, without further penalty. More serious violations, or repeat violations, may result in removal from the Market at which the violation is occurring. Chronic or serious violation of regulations may result in the revocation of the right to attend multiple markets or in permanent removal of Market participation privileges as determined by the Downtown Valdosta Farm Days Farmers' Market personnel. For any violation of Market rules, a written notice of the violation will be mailed or hand-delivered to the violator.

Vendors, members of the public, and/or customers attending the Market are expected to act as one would reasonably find acceptable in a public place. Those displaying offensive, abusive, illegal, or otherwise disruptive behavior may be asked to leave the Market premises by the Market Manager or designee. Disruptive behavior may include, but is not limited to, smoking, consumption of alcoholic beverages, public intoxication, display or possession of lewd or pornographic material, unruly and/or dangerous pets, loud or offensive noise, profanity, or any activity which violates federal, state, or local laws or statutes.
